

Horizontal wall bed for any mattress

Standard version · all sizes and dimensions

Closed wall bed

Folded down, with frame for a box spring

A horizontal wall bed made in Skåne, Sweden, and built to be slept in every night. Gas springs make the bed easy to raise and lower, and close it softly and quietly. The Standard version is 44 cm deep and fits mattresses up to 31 cm thick.

Depth 44 cm

Mattress up to 31 cm

Gas springs with 5-year factory warranty

Stainless steel legs

Made in Skåne, Sweden

Length, depth and height are the cabinet's outer dimensions. * Calculated from the same series as the other sizes.
Other sizes and custom dimensions are made to order.

Options and finishes

Choose a base

Frame for box spring

For a continental bed or box spring with mattress

Ergoflex slatted base

Adjustable slatted base for a loose mattress

Perforated board base

Firm, ventilated base, suitable for futons

Carcass

- White melamine-faced MDF
- Oak, beech or birch – melamine-laminated chipboard
- Oak or beech – veneered chipboard
- Through-coloured MDF: grey, light grey, dark grey, blue, green, yellow, purple, orange, red or black
- Other materials on request

Side covers

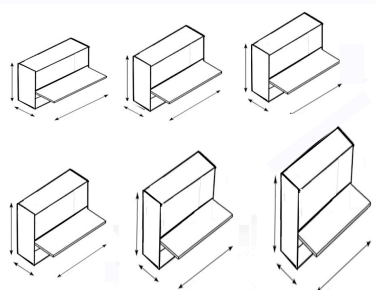

Cover the screws on the sides. Available in white, laminate (oak, beech, birch, walnut), veneer (oak, beech), white-washed pine slats or the same through-coloured MDF as the carcass. Plastic screw caps are also available (8 or 16 pcs).

Mattress (optional)

- Venezia pocket spring, loose mattress
- Venezia pocket spring, box spring (160 and 180 in two parts)
- Polonia sandwich futon mattress
- Firmness: firm, medium or soft
- Mattress topper 50 mm, polyester or with 3 mm latex

Other

- Plinth under the front panel (requires a completely level floor)
- Elastic straps for bedding, two per bed recommended
- Delivered unassembled in large parts or fully assembled

Need room for a thicker mattress?

The Delux version is 57 cm deep and takes mattresses up to 45 cm. It comes in the same sizes as the Standard version and is 10 cm taller.
