

Vertical wall bed for any mattress

Standard and Delux · all sizes and dimensions

80 x 200 cm in black through-coloured MDF, closed and folded down

Double bed, closed in white and folded down in black

A vertical wall bed made in our workshop on Österlen, Sweden, for a bed of any size from 80 to 180 cm wide. It is built to be slept in every night and is part of our premium range for homes, hotels and other overnight accommodation. Gas springs make the bed easy to raise and lower, and close it softly and almost silently.

Bed width 80–180 cm

Standard: mattress 20–31 cm

Delux: mattress up to 45 cm

Gas springs with 5-year factory warranty

Stainless steel legs

Made on Österlen, Sweden

Width, height and depth are the cabinet's outer dimensions. Projection is how far the bed reaches out from the wall.

Cabinets wider than 120 cm have a joint in the middle, as the panels are made in a maximum of 120 cm.

Other sizes and custom dimensions are made to order.
